02 Eligibility for Applicants

① Nationality Requirement

Applicants whose both parents and themselves hold foreign citizenship. (However, those who acquired foreign citizenship before starting an education equivalent to a Korean high school program are also eligible.)

② Academic Requirement

Applicants who have completed the entire 12-year education curriculum equivalent to Korean elementary, middle, and high school education.

③ Language Proficiency Requirement

Korean Track	Applicants who meet one or more of the following conditions 1) Hold a TOPIK Level 2 or higher certificate 2) Have completed Level 4 or higher at a Korean language education center affiliated with a university in Korea 3) Have completed Level 2 or higher of the Korea Immigration and Integration Program (KIIP) or scored 41 points or higher on the preliminary test ※ Applicants admitted without obtaining TOPIK Level 3 or higher must complete at least 300 hours of Korean language courses within one year after admission as part of the first-year curriculum
English Track	Applicants who meet one or more of the following conditions 1) TOEFL score of 530 (PBT), 197 (CBT), or 71 (iBT) or higher 2) IELTS score of 5.5 or higher 3) CEFR Level B2 or TEPS score of 600 or higher ※ Applicants who hold citizenship from a country where English is the native or official language are exempt from submitting an English proficiency test score, provided they submit proof of completing secondary or higher education in English (e.g., graduation certificate)
Chinese Track (Bilingual)	1) Only applicants from countries where Chinese is an official language are eligible to apply 2) For transfer admission: Applicants must have graduated (or be expected to graduate) from a three-year regular college (associate degree program) in Korea or abroad

※ English Track: Students enrolled in the English-taught program must complete at least 50% of the required credits for graduation in English. The university provides translation support systems, interpretation, and subtitle services to assist students during their studies.

※ Bilingual Program: Refers to an undergraduate program in which 50% or more of the required credits for graduation are conducted in a foreign language other than Korean (or with interpretation support). Korean language proficiency is not required.

◆ Important Notes for Eligibility

- ① Foreign applicants who have completed all elementary and secondary education in a country with an education system of less than 12 years are recognized as having an academic background equivalent to that of a Korean high school graduate. (Based on Article 98, Paragraph 1, Item 9 of the Enforcement Decree of the Elementary and Secondary Education Act of Korea)
- ② Applicants who have completed the final three years of an 11- or 12-year elementary and secondary education system in the same country are considered to have completed a high school curriculum. (This applies only to those who have completed at least 11 years of elementary and secondary education in two or more countries.)
- ③ GED certificates, qualification exams (domestic or foreign), homeschooling, online education, or adult education programs are not recognized as meeting the academic requirement.
- ④ Only foreign applicants whose both parents are non-Korean nationals and who have completed at least one year of study at a domestic or overseas university are eligible to apply for transfer admission. The number of transferable credits and subjects will be determined through Halla University's evaluation process.
- ⑤ Applicants who are deemed academically unqualified based on the qualification review or interview results will not be granted admission.
- ⑥ The evaluation results and detailed contents of the admission process will not be disclosed under any circumstances.
- ⑦ The interview language differs depending on the applicant's program of study: Applicants for the English-taught Program will be interviewed in English, and applicants for the Bilingual Program (Chinese) will be interviewed in Chinese.
