Fall Semester of 2025 Academic Year,

Admission Guideline for International Students

(Freshman/Transfer/Dual Degree)

HALLA
UNIVERSITY

Ultimate Destination for Career Success

HALLA UNIVERSITY

CONTENTS

Why should you choose Halla University?

An employment-oriented corporate university created and supported by the HL Group

1 Full support for obtaining a degree and employment with affordable tuition fees

2 Operation of a corporate-coupled curriculum to experience and understand business practices

3 Support for adapting to university life without language and cultural barriers

International Student Support Programs

1. Scholarships (See Section "Scholarships" for details)

— 40% scholarship on regular tuition for all freshmen in the first semester (excluding dual degree programs)

— Various scholarships based on academic performance, language proficiency, and student activities for the new students in the first semester and during enrollment

1) Freshman: Freshman scholarship, Language proficiency scholarship, Korean language education center completion scholarship, Partner institution recommendation scholarship, etc.

2) Enrolled students: Academic performance scholarship, language proficiency improvement scholarship, family scholarship, work-study scholarship, leadership scholarship, learning motivation scholarship, etc.

2. Paid Internship (Corporate-coupled field training program)

— Earn credits for field training and receive training support (over 2 million KRW per month)

— Accumulate practical experience in major fields and support adaptation to the professional world

— Develop competencies required by companies and support growth as talent for the respective companies

3. Learning Support

— Operation of simultaneous translation system for lecture content in native languages

— Special lectures to prepare TOPIK exams and application fee support (Intensive Korean language education in the first year)

— Operation of TOPIK IBT test center (6 times a year)

—'Korea Immigration & integration program' as a regular course for credit acquisition and program completion

— Operation of various learning support programs (Center for Teaching and Learning Support)

— Operation of counseling programs for underachieving students

— Selection of departments suitable for aptitude (unlimited department transfers allowed)

4. Employment Support

— Special lectures on corporate employment and company visits

— One-on-one customized employment counseling through student career management system

— Support for field training and employment connection with over 300 partner companies

— Hosting job fairs with invited companies

5. Campus Life Support

— Orientation and individual counseling with advisors on admission, majors, course registration, etc.

— Operation of mentoring programs between international and Korean students

— Active support for participation in school clubs and sports activities

— Operation of Korean culture experience programs (traditional culture, history, and tourist site visits)

— Operation of psychological and health counseling programs at the Student Life Counseling Center

Operation of a Department Exclusively for International Students

KOREAN **ENGLISH**

DUAL TRACK

" **Department of K–Internet Business Management** "

Dual track (Korean track & English track) established in 2023

1. Innovative Education System

– Provision of various lecture methods including offline/online/blended learning

– Operation of small–sized classes for close interaction between professors and students

– Flexible academic system allowing transfers of departments at any time

– Possibility to obtain micro–degrees

2. Employment–focused Specialized Programs

– Global standard's field training program

– 'Korea Immigration & integration program' recognized by the Ministry of Justice for assistance with extension/change of employment and residence visa

– Operation of employment strategy as major courses exclusively for foreigners, unique in South Korea

3. Tailored Support for Global Talents

– One–on–one counseling and customized academic/residence management with advisors and dedicated staff

– Intensive advanced Korean language education for successful study in South Korea

– Provision of special lectures for TOPIK, regional connection programs, etc.

4. Differentiated Learning Environment

– Cultural experience learning at least once per semester

– Interaction with multinational students in the Halla Global Lounge

– Improvement of adaptation to school and daily life through mentor/mentee programs

5. Global & Future–oriented Curriculum

– Cultivation of global business knowledge

– Enhancement of business big data analysis capabilities

– Practice–oriented education tailored to the 4th Industrial Revolution era

Introduction to Major Departments

Advanced Industries and Mobility Technologies Sector

Training of practical experts to foster the mobility industry with representative technologies of advanced industries

Department of Mechanical and Automotive Engineering

Educates interdisciplinary professionals leading core industries of the Fourth Industrial Revolution, including autonomous vehicles, e−Mobility, personal mobility, intelligent robotics, smart display materials, and secondary battery materials for electric vehicles.

Department of Future Mobility Engineering

Offers training in AI, big data, coding (software), design, and virtual twin technologies to prepare students for careers in autonomous vehicles, robotics, drones, urban air mobility (UAM), personal mobility (PM), mobility as a service (MaaS), and transportation as a service (TaaS).

Department of Electrical and Electronic Engineering

Develops technical experts proficient in electricity generation, supply, conversion, and efficient operation, as well as automation system development and semiconductor−based autonomous vehicle electronic control.

Department of Rail Operation Systems

Provides specialized education in railway operations through industry−academic collaborations with over 30 railway organizations, including KORAIL and Seoul Metro, fostering professionals in train operation and railway control.

Department of Computer Engineering

Prepares professionals in rapidly evolving industries, including big data, artificial intelligence, cybersecurity, Internet of Things (IoT), network engineering, and embedded systems.

Department of AI and Information Security

A specialized contract department focusing on AI−integrated cybersecurity, fostering experts in personal information protection and data security.

Department of IT Software

Cultivates professionals with comprehensive knowledge of IT fundamentals, software development, and application programming for diverse computing environments, including computers and smartphones.

Glocal Culture and Arts Sector

fostering globally competitive professionals by merging Korean culture and arts with modern industrial technologies

Department of Business Administration

Develops entrepreneurial and interdisciplinary business professionals who can navigate the challenges of the Fourth Industrial Revolution.

Department of Cultural Tourism Management

Trains creative professionals in cultural and tourism content development to lead the industry.

Department of Media Advertising Content

An interdisciplinary program combining advertising production, public relations design, and social media technology, preparing students for careers in media, advertising, and content industries.

Department of Beauty Design

Cultivates creative and forward–thinking professionals to become global leaders in the beauty industry.

Department of Sports

Prepares creative and versatile professionals for roles in the sports industry, one of the nation's key emerging sectors.

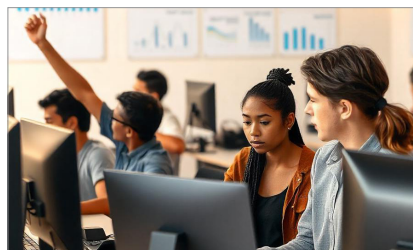

Department of Video Production

Provides hands–on training with professional equipment and studios, preparing students for careers in the video production industry within the Fourth Industrial Revolution era.

Department of Hotel, Aviation, and Restaurant Management

Offers practical education in three core areas of the tourism industry–hotel, aviation, and restaurant–through eight industry–mirroring training labs and certification programs.

Department of K–Internet Business Management

A specialized department for international students that integrates business administration with business big data analysis and cross–cultural competencies to cultivate global professionals.
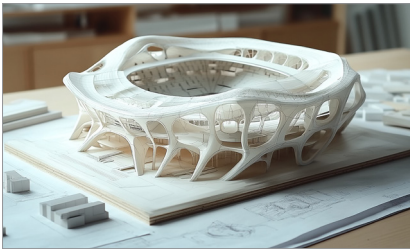

Introduction to Major Departments

Future Urban Infrastructure Technology Sector

Provides industry—oriented practical education to develop glocal experts with hands—on architectural skills.

Department of Architecture

Provides industry—oriented practical education to develop glocal experts with hands—on architectural skills.

Department of Police Administration

Trains professionals with practical skills and expertise in public safety, security, and law enforcement, equipping them to become police officers and security specialists.

Department of Urban Infrastructure Engineering

Educates experts in planning, designing, constructing, operating, and maintaining national infrastructure to enhance national competitiveness and quality of life.

Department of Fire Disaster Prevention

Trains professionals in fire safety, disaster response, and global emergency management.

Department of Social Welfare

Prepares professionals to meet the growing demand for social services, fostering experts capable of working in public and private welfare sectors.

Eligibility Requirements

1 Freshman/Transfer applicants: Must satisfy all conditions ① ~ ③

Nationality	① The applicant and both parents must be foreign nationals. ※ Dual nationality holders are not recognized as foreign applicants.	
Academic Qualifications	② Applicants must have completed an educational program equivalent to 12 years of primary and secondary education in Korea.	
Language Proficiency	Korean Track	③ Applicants must meet one of the following requirements: 1) Hold a TOPIK (Test of Proficiency in Korean) Level 2 or higher. 2) Have completed Level 4 or higher at a Korean language education center in a Korean university. 3) Have completed Level 2 or higher in the Korea Immigration & integration program (KIIP) or obtained a pre–evaluation score of 41 or above. 4) Pass Halla University's internal Korean proficiency assessment. ※ Applicants who are admitted without TOPIK Level 3 or higher must complete at least 300 hours of Korean language coursework during their first year.
	English Track	③ Applicants must meet one of the following requirements: 1) TOEFL 530 (CBT 197, iBT 71) or higher 2) IELTS 5.5 or higher 3) CEFR B2, TEPS 600 or higher ※ Applicants from countries where English is the native or official language may be exempted from language proficiency tests if they provide documentation proving completion of secondary or higher education in English.

2 Dual Degree: Must satisfy all conditions ① ~ ③

Nationality	① The applicant and both parents must be foreign nationals. ※ Dual nationality holders are not recognized as foreign applicants.
Academic Qualifications	② Applicants must have completed at least two or three years at a university with a dual degree agreement and must have a minimum cumulative GPA of 3.0.
Language Proficiency	③ Applicants must meet one of the following requirements: 1) Hold a TOPIK Level 2 or higher. 2) Have completed Level 2 or higher in the Korea Immigration & integration program (KIIP) or obtained a pre–evaluation score of 41 or above. 3) (For English Track) TOEFL iBT 71, IELTS 5.5, or higher.

3 Important notes on eligibility (nationality, academic background, language proficiency)

1) International students who have completed the full primary and secondary education curriculum in a country that adopts an education system of less than 12 years are recognized as having equivalent academic qualifications to high school graduates in Korea. (Reference: Article 98, Paragraph 1, Clause 9 of the Enforcement Decree of the Elementary and Secondary Education Act)

2) Students who have completed the final three years of an 11-year or 12-year primary and secondary education system in the respective country are recognized as having completed high school education. (However, students must have completed at least 11 years of primary and secondary education across two or more countries to be recognized.)

3) Applicants must submit official supporting documents if they have any special circumstances related to family status or nationality, such as divorce, remarriage, unmarried status, death, missing persons, or acquisition/loss of Korean nationality.
Example: Divorce certificate, single-parent certificate, death certificate, etc.

4) Academic qualifications obtained through GED, domestic or international equivalency exams, homeschooling, online learning, or adult education programs are not recognized as meeting the academic requirements for admission.

5) International students whose both parents are foreign nationals are eligible for transfer admission if they have completed at least one year at a domestic or international university. The recognition of previously earned credits and courses will be determined in accordance with Halla university's academic regulations.

6) International students admitted to Halla University must obtain at least Level 4 in the Test of Proficiency in Korean (TOPIK) or complete Level 4 of the Social Integration Program (or an equivalent qualification) to be eligible for graduation. (This requirement does not apply to students enrolled in English-track programs.)

7) Students enrolled in English-track programs must complete at least 50% of the required graduation credits in English.

Application Schedule

1 Freshmen/Transfer Admission

Category	Schedule		Remarks
Admission Consultation	Monday–Friday, 09:30–11:30, 13:30–17:30		• Consultation available year–round (excluding weekends & holidays)
Application Submission	1st Round	2nd Round	• Application forms available at: https://ipsi.halla.ac.kr • Submit by visit or mail • Address : Halla University, Division of International Cooperation Affairs, 1st Floor, Halla Hall, 28 Halla–daegil, Wonju, Gangwon 26404, Korea
	May 26–June 13, 2025	July 1–July 8, 2025	
Halla University Internal Language Proficiency Test	June 18, 2025	July 11, 2025	• Required for applicants without certified language qualifications
Interview	June 19–20, 2025	July 15–16, 2025	• Details will be provided individually (Overseas applicants will be interviewed online)
Announcement of Results	June 26, 2025	July 21, 2025	• Results announced on Halla University's website • An admission certificate available for online printing
Tuition Payment	June 27–July 9, 2025	July 22–July 24, 2025	• Payment must be made to the university–designated bank • A tuition fee payment notice available for online printing
Certificate of Admission Issuance	July 7–July 11, 2025	July 23–July 25, 2025	• Issued after tuition payment confirmation

2 Dual Degree

Category	Schedule	Remarks
Admission Consultation	Monday–Friday, 09:30–11:30, 13:30–17:30	• Consultation available year–round (excluding weekends & holidays)
Application Submission	May 26–June 13, 2025	• Application forms available at: https://ipsi.halla.ac.kr • Submit by visit or mail • Address : Halla University, Division of International Cooperation Affairs, 1st Floor, Halla Hall, 28 Halla–daegil, Wonju, Gangwon 26404, Korea
Interview	June 17–18, 2025	• Details will be provided individually
Announcement of Results	June 26, 2025	• Results announced on Halla University's website • An admission certificate available for online printing
Tuition Payment	June 27–July 9, 2025	• Payment must be made to the university–designated bank • A tuition fee payment notice available for online printing
Certificate of Admission Issuance	July 7–11, 2025	• Issued after tuition payment confirmation

3 Important notes on application schedule

※ Dual Degree Program: Only students from universities that have an agreement with Halla University are eligible to apply for the dual degree program.

※ Visa Requirement: Applicants must obtain a D-2-2 visa (for undergraduate freshmen, transfer students, and dual degree program students) before enrollment.

※ Visa and Entry Issues: Even if an applicant is accepted and has completed registration, admission will be canceled if their visa application is denied or if they are unable to enter Korea.

※ False Information: If any false information is found in the application or submitted documents, the applicant will be solely responsible, and their admission may be revoked.

※ Submission Responsibility: Applicants are responsible for ensuring that all required documents are submitted within the deadline. Late or missing documents will be the applicant's responsibility.

※ Changes to the Schedule: The above schedule is subject to change. Any updates will be announced on the Halla University website (www.halla.ac.kr). (No individual notifications will be sent to applicants.)

Required Documents

- All documents must be accompanied by an English or Korean translation and notarized.
- Additional documents may be requested from applicants if necessary for eligibility screening.

1 Required documents for Freshman / Transfer / Dual Degree admission

Category	Required Documents	Original	Copy	Remarks
Required Documents	Application Form	1 copy		Completed application form with a passport–size photo
	Passport Photo	2 copies		Recent photo (3×4 cm, taken within the last 3 months)
	High School (or Previous University) (Expectant) Graduation Certificate	1 copy		Apostille–certified original or consular authentication
	High School (or Previous University) Transcript	1 copy		
	Family Relationship Certificate	1 copy		Official document proving family relationship (Must be issued by the applicant's home country)
	Identification Documents(Applicants, Parents)		1 copy	
	Passport		1 copy	
	Korean Language Proficiency (Choose one) – TOPIK (PBT or IBT) Score Report – Certificate of Completion from a Korean Language Institute in Korea – Korea Immigration & Integration Program Completion Certificate	1 copy		※ English–track programs (Choose one) 1) TOEFL 530 (CBT 197, iBT 71) 2) IELTS 5.5 3) CEFR B2, TEPS 600
	Consent Form for Personal Information Collection, Use, and Third–Party Provision	1 copy		Halla University form [1–2]
Additional Documents (If Applicable)	Proof of Employment (Sponsor) (Required if the applicant does not submit a personal bank statement)	1 copy		
	Income Certificate (Sponsor) (Required if the applicant does not submit a personal bank statement)	1 copy		
	Death Certificate	1 copy		
	Divorce Certificate	1 copy		
	Certificate of Enrollment from a Korean Language School (D–4 Visa Holders)	(except for dual degree applicants)	1 copy		Complete Korean Language Course Records
	Alien Registration Card(Required for applicants residing in Korea)			1 copy	

※ Various certificates issued by foreign schools must be submitted with one copy of the "Apostille Certificate" issued by the designated government agency (in the case of the Republic of Korea, the Ministry of Foreign Affairs) in the country where the school is located

※ Financial guarantee documents: Applicants must submit a bank balance certificate and proof of domestic remittance or currency exchange on the date specified by the university (equivalent to 16 million KRW)

2 Important notes on document submission

1) All documents submitted by applicants will not be returned.

2) For documents not written in Korean or English, a notarized Korean (or English) translation must be submitted.

3) Prospective graduates must submit relevant academic verification documents within the deadline specified by the university after graduation. Admission may be canceled if proof documents are not submitted before admission or if visa acquisition is delayed due to late submission.

4) Applicants planning to submit language proficiency documents may be conditionally accepted on the condition of submitting the official TOPIK score report or language institute completion certificate and transcript. Final acceptance will be granted upon submission of the final language proficiency documents. Acceptance may be canceled if documents are not submitted by the deadline or if eligibility requirements are not met.

5) If it is found that admission was obtained through fraudulent means such as forgery or alteration of submitted documents, lack of eligibility, proxy testing, etc., before or after admission, acceptance and admission will be canceled. In such cases, paid tuition fees will not be refunded.

6) Matters not included in this admission guide will be decided by the university's Admission Management Committee, and all matters after admission will follow the university's regulations.

3 Required documents for academic verification (for graduates from schools in China)

1) Choose one of the following documents

Certified Documents
Huikao (會考) Certificate Authentication
Huikao (會考) Transcript Authentication
Gaokao (高考) Transcript Authentication
Graduation Certificate Authentication for Secondary (Vocational) Schools
Consular Authentication of High School Diploma + Consular Authentication of High School Transcript

2) Authentication agencies (Choose one of the following)

※ It takes about 30 days to issue certificates ①–③
  ① Seoul Confucius Academy
     (www.cis.or.kr, Inquiry: 02-554-2688)
  ② China Academic Degrees & Graduate Education
     Development Center (www.cdgdc.edu.cn)
  ③ China Higher Education Student Information
     and Career Center (www.chsi.com.cn)

4 Apostille Certificate Submission Guide

1) Apostille Convention:
A multilateral convention that simplifies the authentication process for public documents between member countries by abolishing complex procedures such as consular authentication and instead having the issuing country verify the documents

2) Documents subject to Apostille verification:
Documents issued by foreign government agencies and documents notarized by notaries public
  ○ Documents issued by foreign government agencies: Family relationship certificates, transcripts issued by public schools, etc.
  ○ Notarized documents: Certificates issued by private schools, medical certificates, documents issued by companies and banks, etc.
  ※ Applies only to countries that have joined the Apostille Convention
    (For non-member countries, submit notarized documents or consular authentication)

3) Issuance method:
Apply for and obtain an Apostille certificate from the designated government agency in the country where the school is located for various certificates issued by foreign schools (In the case of the Republic of Korea, the Ministry of Foreign Affairs)

4) Related organizations:
Ministry of Foreign Affairs Overseas Safety Travel website (www.0404.go.kr), Consular Call Center 02-3210-0404
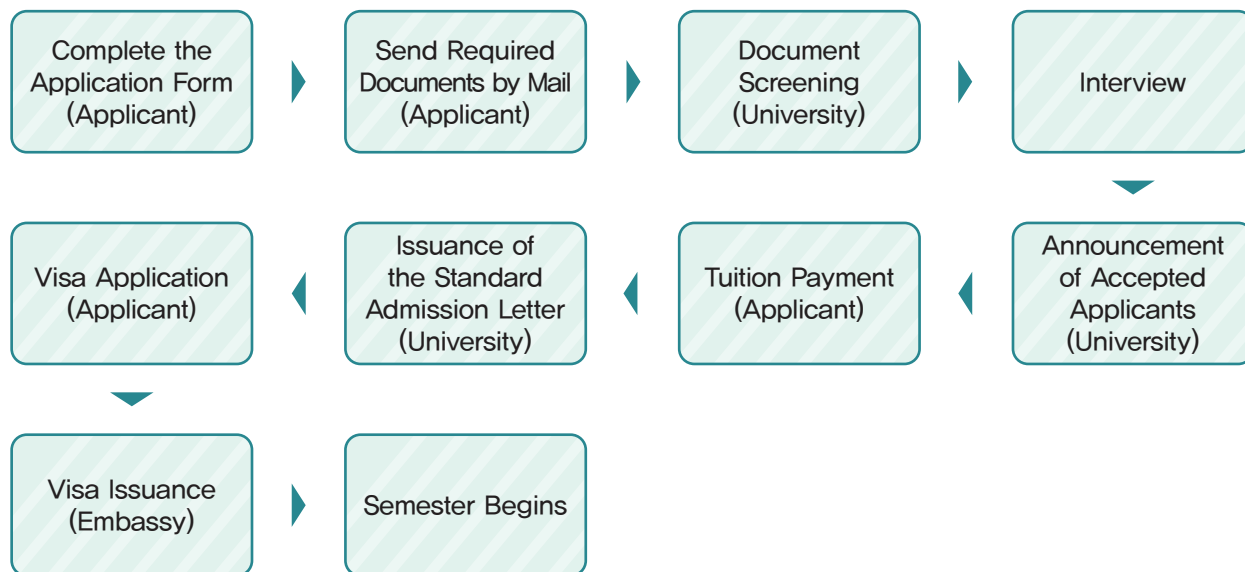

5) Current status of Apostille member countries (As of June 5, 2024, submit notarized documents or consular authentication for non-member countries)

Region	Countries
Asia & Oceania (22 countries)	Australia, Brunei, China (including Macau and Hong Kong), Cook Islands, Fiji, India, Indonesia, Japan, Marshall Islands, Mauritius, Mongolia, New Zealand, Niue, Pakistan, Palau, Philippines, Samoa, Singapore, South Korea, Tajikistan, Tonga, Vanuatu
Europe (52 countries)	Albania, Andorra, Armenia, Austria, Azerbaijan, Belarus, Belgium, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Greece, Hungary, Iceland, Ireland, Italy, Kazakhstan, Kosovo, Kyrgyzstan, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Monaco, Montenegro, Moldova, Netherlands, Norway, North Macedonia, Portugal, Poland, Russia, Romania, San Marino, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Türkiye, United Kingdom, Uzbekistan, Ukraine
North America (2 countries)	United States (including Guam, Puerto Rico, Maury Island, Saipan), Canada
Central & South America (31 countries)	Antigua and Barbuda, Argentina, Barbados, Bahamas, Belize, Bolivia, Brazil, Chile, Costa Rica, Colombia, Commonwealth of Dominica, Dominican Republic, Ecuador, El Salvador, Grenada, Guatemala, Guyana, Honduras, Jamaica, Mexico, Nicaragua, Panama,Paraguay, Peru, Saint Kitts and Nevis, Saint Lucia, Saint Vincent, Suriname, Trinidad and Tobago, Uruguay, Venezuela
Africa (14 countries)	Botswana, Burundi, Cape Verde, Eswatini, Lesotho, Liberia, Malawi, Namibia, Rwanda, São Tomé and Príncipe, Senegal, Seychelles, South Africa, Tunisia
Middle East (5 countries)	Bahrain, Israel, Morocco, Oman, Saudi Arabia

※ Countries scheduled to join the Apostille Convention – Bangladesh (March 30, 2025)

Selection Method

1 New/Transfer: Applicants with no issues in submitted documents

Selection Elements	Evaluation Contents	Remarks
Documents	Qualification Review [Candidates for interviews will be selected based on a thorough review of the submitted documents for completeness and authenticity]	
Interview	Understanding of the major, language skills, personality and values required for each department's courses of study, etc.	Interview (100%)

2 New/Transfer: Applicants subject to Halla University's Korean language proficiency test

Selection Elements	Evaluation Contents	Remarks
Documents	Qualification review excluding Korean language proficiency test score [Candidates for interviews will be selected based on a thorough review of the submitted documents for completeness and authenticity]	
Self-evaluation	Conduct LMS Online Exams Korean Reading (100 points), Korean Listening (100 points) Evaluation Passing score of 150 points or higher out of 200 points	Self-evaluation schedule to be announced later
Interview	Understanding of the major, language skills, personality and values required for each department's courses of study, etc.	Interview (100%)

3 Dual Degree

Selection Elements	Evaluation Contents	Remarks
Documents	Qualification Review [Candidates for interviews will be selected based on a thorough review of the submitted documents for completeness and authenticity]	
Interview	Understanding of the major, language skills, personality and values required for each department's courses of study, etc.	Interview (100%)

4 Important notes on selection method

1) Failure to submit required documents for document evaluation will result in disqualification.
2) Applicants deemed to lack academic ability based on qualification screening and interview results will not be granted admission.
3) Matters related to evaluation and deliberation are decided by Halla University's Admission Management Committee, and other matters follow Halla University's admission procedures and regulations.
4) Qualification review scores and evaluation contents are not disclosed.
5) In case of tied scores, all applicants will be accepted, and interviews will be conducted in Korean(Korean Track)/ English(English Track).

Other Important Notes for Applicants

- Applicants must accurately enter personal information, contact details, admission type, and department at the time of application. Any disadvantages caused by incorrect information will be the sole responsibility of the applicant.
- Multiple applications within Halla University are not allowed.
- Once the application is submitted, modifications or cancellations are not permitted, and submitted documents will not be returned.
- All documents must be original copies. If a copy is submitted due to unavoidable circumstances, the original must be submitted within the designated registration period after acceptance.
- Applicants must bring their ID (passport or alien registration card) on the day of the interview.
- Admission results will not be individually notified. Applicants must check their results on the university website on the announcement date.
- Accepted students under the special admission program for international students cannot enroll in more than one university. They must choose only one university for registration.
- Tuition fees must be paid within the designated period to the university's specified account. Failure to pay within the deadline will result in admission cancellation.
- Even if an applicant is accepted and has completed registration, admission will be revoked if their visa application is denied or if they are unable to enter Korea.
- Admission may be canceled if the applicant cannot legally stay in Korea due to restrictions on visa extension or status change under the regulations of the Immigration Office.
- Applicants who do not have a TOPIK Level 3 or higher at the time of admission must complete at least 300 hours of Korean language courses during their first year at the university.
- All students must obtain a TOPIK Level 4 or higher or complete Level 4 of the Korea Immigration & Integration Program (or an equivalent qualification) to graduate. (This requirement does not apply to students in English-track programs.)
- All information in this admission guide will not be individually notified. Applicants must thoroughly review the details, as any disadvantages resulting from a lack of awareness will be the applicant's responsibility.

Tuition Payment

1 Tuition fees (Based on the Fall semester of 2025 academic year)

Departments	Tuition Fees
Department of Mechanical and Automotive Engineering, Department of Future Mobility Engineering, Department of Computer Engineering, Department of IT Software, Department of Electrical and Electronic Engineering, Department of AI and Information Security, Department of Rail Operation Systems, Department of Architecture, Department of Urban Infrastructure Engineering, Department of Fire and Disaster Prevention, Department of Video Production, Department of Beauty Design, Department of Sports	KRW 4,204,000
Department of Media Advertising Content, Department of Social Welfare, Department of Police Administration, Department of Business Administration, Department of Hotel, Aviation, and Restaurant Management, Department of Cultural Tourism Management, Department of K-Internet Business Management	KRW 3,236,000
